## Specimen Aural Tests: Grade One

### Rhythm

#### Test 1a

[2 marks]

Identify the time signature as 2 or 3 time.

i) *Allegretto*

Musical score for Test 1a i). The piece is in 2/4 time, marked *Allegretto* and *f*. The melody in the treble clef consists of quarter notes and eighth notes. The bass line consists of quarter notes. The piece ends with a fermata over the final note.

ii) *Allegro*

Musical score for Test 1a ii). The piece is in 3/4 time, marked *Allegro* and *mf*. The melody in the treble clef consists of quarter notes and eighth notes. The bass line consists of quarter notes. The piece ends with a fermata over the final note.

iii) *Con moto*

Musical score for Test 1a iii). The piece is in 2/4 time, marked *Con moto* and *mf*. The melody in the treble clef consists of quarter notes and eighth notes. The bass line consists of quarter notes. The piece ends with a fermata over the final note.

iv) *Andante*

Musical score for Test 1a iv). The piece is in 3/4 time, marked *Andante* and *p*. The melody in the treble clef consists of quarter notes and eighth notes. The bass line consists of quarter notes. The piece ends with a fermata over the final note.

v) *Allegretto*

Musical score for Test 1a v). The piece is in 3/4 time, marked *Allegretto* and *f*. The melody in the treble clef consists of quarter notes and eighth notes. The bass line consists of quarter notes. The piece ends with a fermata over the final note.

Allegro

vi) *mf*

Con moto

vii) *mf*

Andante

viii) *p*

**Test 1b** [2 marks]

Clap or tap on each pulse beat, in time, in 2 or 3 time, accenting the first beat of each bar as the examiner plays the same example again.

N.B. Candidates may elect to respond to tests 1(a) and 1(b) in reverse order (see Note 2).

**Pitch**

**Test 2a** [1 mark]

Identify as "first" or "second" which of two notes played consecutively is EITHER the higher OR the lower, at the examiner's discretion.

i                      ii                      iii                      iv                      v

vi                      vii                      viii                      ix                      x

# Specimen Aural Tests

## Notes:

1. These aural tests are used for Graded and ALCM Examinations in the following: Piano, Pipe Organ, Electronic Keyboard, Electronic Organ, Flute, Clarinet, Oboe, Bassoon, Recorder, Classical Saxophone, French Horn, Trumpet, Cornet, Flugelhorn, Baritone, Euphonium, Trombone, Tuba, Violin, Viola, Cello, Double Bass, Classical Guitar, Harp, Singing and all Jazz instruments.
2. **GRADE 1 TEST 1(b); GRADE 3 TEST 2(b)**: where a candidate wishes to respond to either of these tests in the alternative manner as specified, the examiner must be informed in advance of the tests being administered. This may be done either via the Centre representative or attendant on the day (in advance of the examination), or by the candidate (in the examination, in advance of the tests).
3. In tests where the identification of note values (rhythmic values) is required, such as **Grade 2, test 1(c)**, candidates are required to respond by listing the rhythmic values in order, e.g. 'minim, crotchet, crotchet' or 'minim, four quavers'.
4. In tests where a sung response is required, candidates may use any clear and appropriate syllable or vowel sound (e.g. 'ah', 'la', 'oo', etc.) They may also hum or whistle. Candidates may request tests to be transposed if required by their vocal range. Candidates may play back such tests on their instrument if they prefer; in this case, examiners must be informed prior to the administration of the tests (see Note 2 above).
5. In tests where responses describing pitch are required, candidates may use letter-names (A, B, C, etc.), tonic sol-fa (doh, re, mi, etc.), or number (1, 2, 3, etc., or 1st, 2nd, 3rd, etc.) (Where a minor key is used, it will be assumed that doh=tonic.)
6. Please note that **from Grade 2 onwards**, candidates are required to beat time (i.e. conduct), NOT to tap or clap the pulse. They may join in during the initial playing, or a second playing may be given.
7. Candidates may request any test to be given one repeat playing without loss of marks.
8. **Please note that in all cases, examiners will use a piano to conduct the tests.** Examiners will ask candidates to stand or sit in such a position that they cannot see the piano keyboard.
9. Please note that the printed wording is a guide only. Examiners are encouraged to conduct the tests in a conversational manner.

## Transposing Instruments:

Dealing with transposing instruments requires particular care in the 'play-back' alternatives to some of the 'sing-back' test, especially in cases where the candidate has a keen or absolute pitch sense.

When a candidate elects to play back using a transposing instrument, examiners will first ascertain if they have absolute pitch. If so, they may need a slightly fuller explanation of the following method of delivering the test or agreement on a way to proceed. If the answer is 'no', or the candidate does not understand what absolute pitch is, then the examiner will simply announce to them, using the guidance below, their key, such that the response will sound at concert pitch. Thereafter they will work from the printed material. The candidate's response will be in concert pitch, though may sound an octave lower, which is acceptable.

For B flat instruments (Clarinet, Trumpet, Saxophone), examiners will announce to the candidate that the test is in a key a tone higher than the concert key they are actually working in (i.e. C major = D major). For a French Horn, the examiner will announce the key as a Perfect 5th higher (i.e. C major = G major); and for an Alto or Baritone Saxophone, the examiner will announce the key as a Major 6th higher (i.e. C major = A major). However, examiners will take care in the choice of test that the resulting key for the candidate is not more advanced than is suitable for the grade.
